LIST OF BEGONIAS FROM WHICH SURPLUS IS OFFERED FOR SALE.

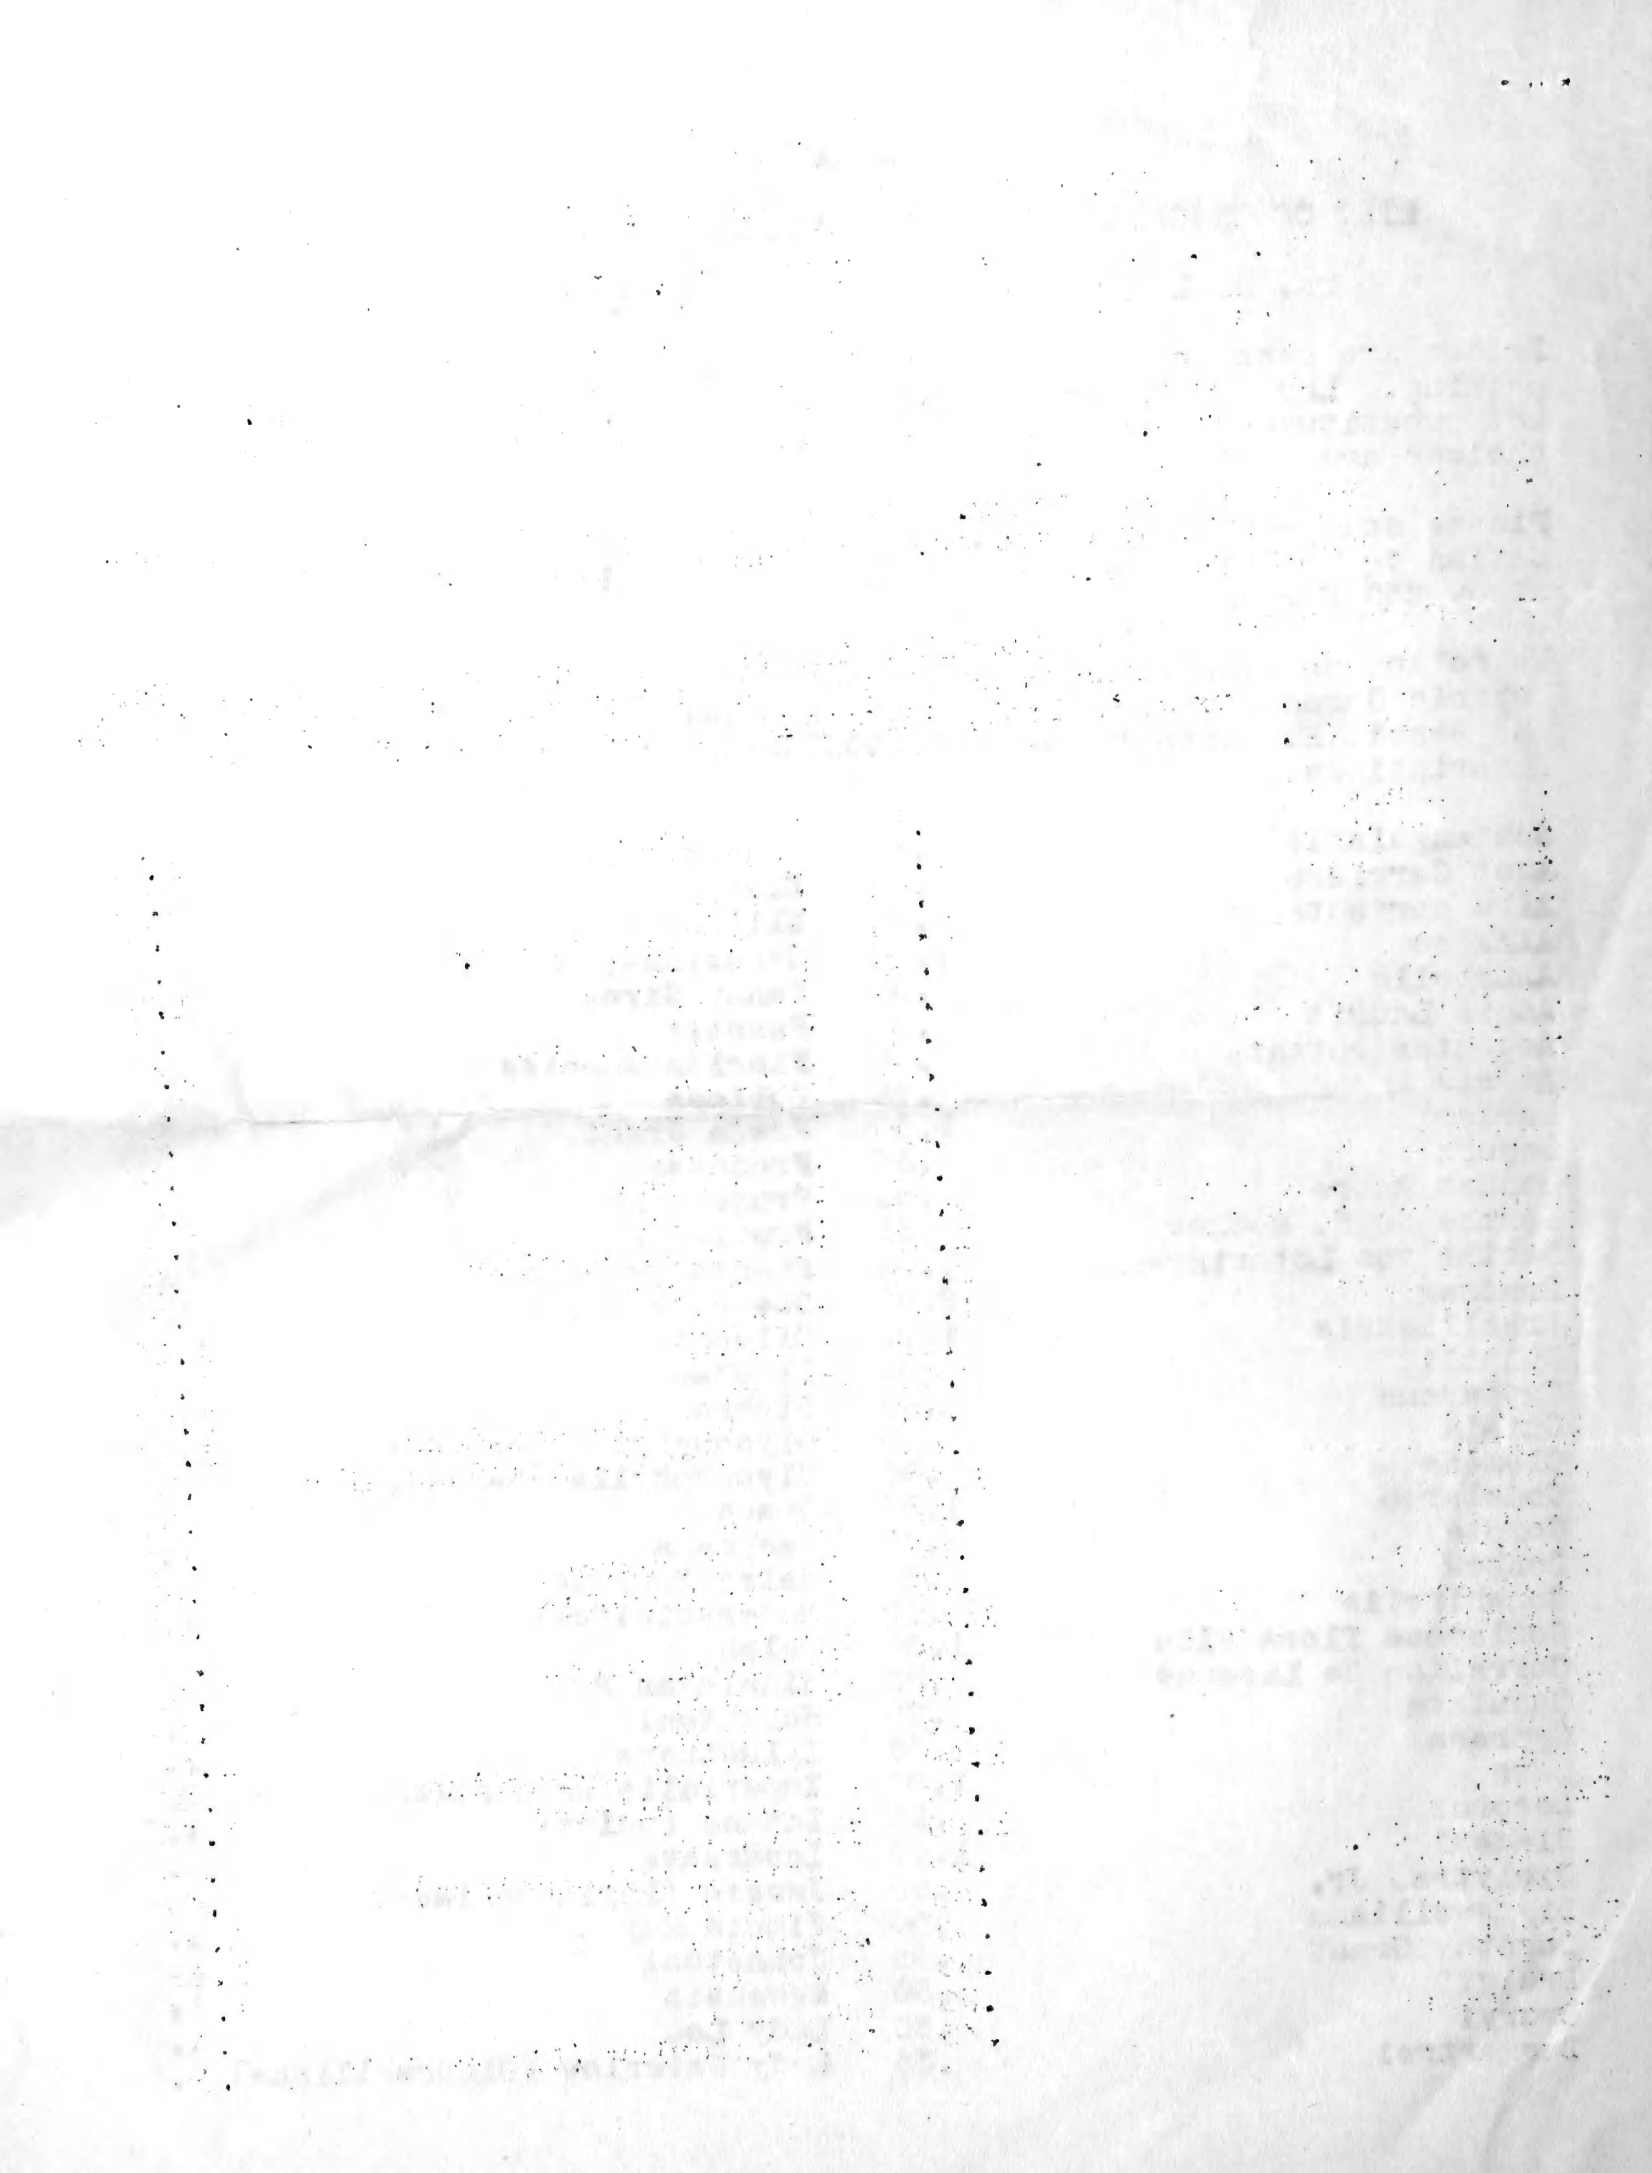

Mrs. B. L. Shippy, 536 Willow St., Lockport, N. Y.

Prices are based on well-established plants out of 3" pots and expert packing. Larger plants are more according to size and rarity. We do not substitute without permission but appreciate it when second choices are stated.

Please send cash with order. We prefer to ship by express, transportation to be paid by customer. If wanted by Parcel Post, please allow 25% for postage.

We follow as closely as possible the nomenclature used by the New York Botanic Garden and recommend their special bulletin, 'Begonias', (25¢), and Bessie H. Buxton's book, 'BEGONIAS and How to Grow Them', for descriptions.
